

## Get Your Profile Evaluated by our Admission Managers

**With a full range of programmes on offer, the choice is not always easy.**

To help orient you towards the best programme, you can send us a brief outline of your background and your future professional goals. You can also include your GMAT or GRE, English language test scores, GPA with a copy of your resume. We will help you in choosing a right programme for you.

EDHEC's International Admissions Office receives enquiries from around the world from candidates who are keen to know more about all our programmes. Our Admission officers helps them to know more about the eligibility criteria, helps them decide on programme that best suits to achieve their professional goals.
