

London Campus

The Group has been present in London for 13 years, providing services to both alumni and companies. Now, however, it is expanding its activities to include those of the EDHEC-Risk Institute.

The specialised continuing education programmes that have been set up, particularly in the finance sector, have made it possible for more than 5, 000 City professionals to attend seminars and research conferences since 2003.

Programmes

- The EDHEC-Risk Institute-Europe, an extension of the EDHEC-Risk Institute based in Nice.
- Executive education programmes: MSc in Risk & Finance, MSc in Global Business, PhD in finance, training seminars for the financial industry...
